

Swamins, Brahmacharins and Members of Chinmaya Mission Worldwide

Dear All,

Hari Om!

It was Pujya Gurudev Swami Chinmayananda's vision to spread the teachings of Vedanta far and wide, to the maximum number of people for maximum happiness. This vision has continued to empower more and more people over the years and that is reflected in the increasing number of Vedanta courses offered by Chinmaya Mission, undertaken by seekers from around the globe.

To serve this very vision, I am delighted to announce Chinmaya Mission's first one year residential Vedanta Sadhaka Course in English, for those seekers wanting to delve deeper into the teachings of Vedanta. The primary objective of the course is to impart in-depth knowledge of Advaita Vedanta through the study of important Vedantic treatises and provide greater clarity on the spiritual path. Applications are welcome from those who are sincerely interested in the teachings of Vedanta and are eager to live the life of a sadhaka.

The Vedanta Sadhaka Course will be conducted at Chinmaya International Foundation (CIF), Adi Sankara Nilayam in Kerala, the hallowed maternal birth-home of Shri Adi Sankaracharya, commencing on Vijayadashami next year, that is on 15 October 2021. The course will be conducted in English, with Swami Advayananda and Swami Sharadananda serving as the Resident Acharyas. Applicants must be between the ages of 33 and 65 years.

For more details regarding the course, you can visit: chinfo.org/vsc

The e-flyer is attached and I request you to publicise the Vedanta Sadhaka Course as much as possible so that maximum people are able to benefit from this initiative.

At His Feet,
